

REIMAGINE THE ARTS UPTOWN

Make a Gift to Support Revitalizing the Marilyn Rodman Performing Arts Center

Situated in the heart of Uptown Foxborough, the **Marilyn Rodman Performing Arts Center (MRPAC)** boasts a nearly century old tradition of providing high quality arts programming to the community. Currently, the MRPAC is proud to **host over 125 shows annually and welcome 18,000 patrons** through our doors each year.

The theater urgently requires renovations on its exterior. This includes repairing the dilapidated facade and trim, fixing the uneven walk up pavement area, and updating the entryways to meet ADA and local code compliance standards. These issues currently create an uninviting entrance to the theater. The theater is a cornerstone of the Uptown area and as Foxborough continues to develop, the theater is also in need of visual enhancements and upgraded aesthetics including paint, lighting and signage.

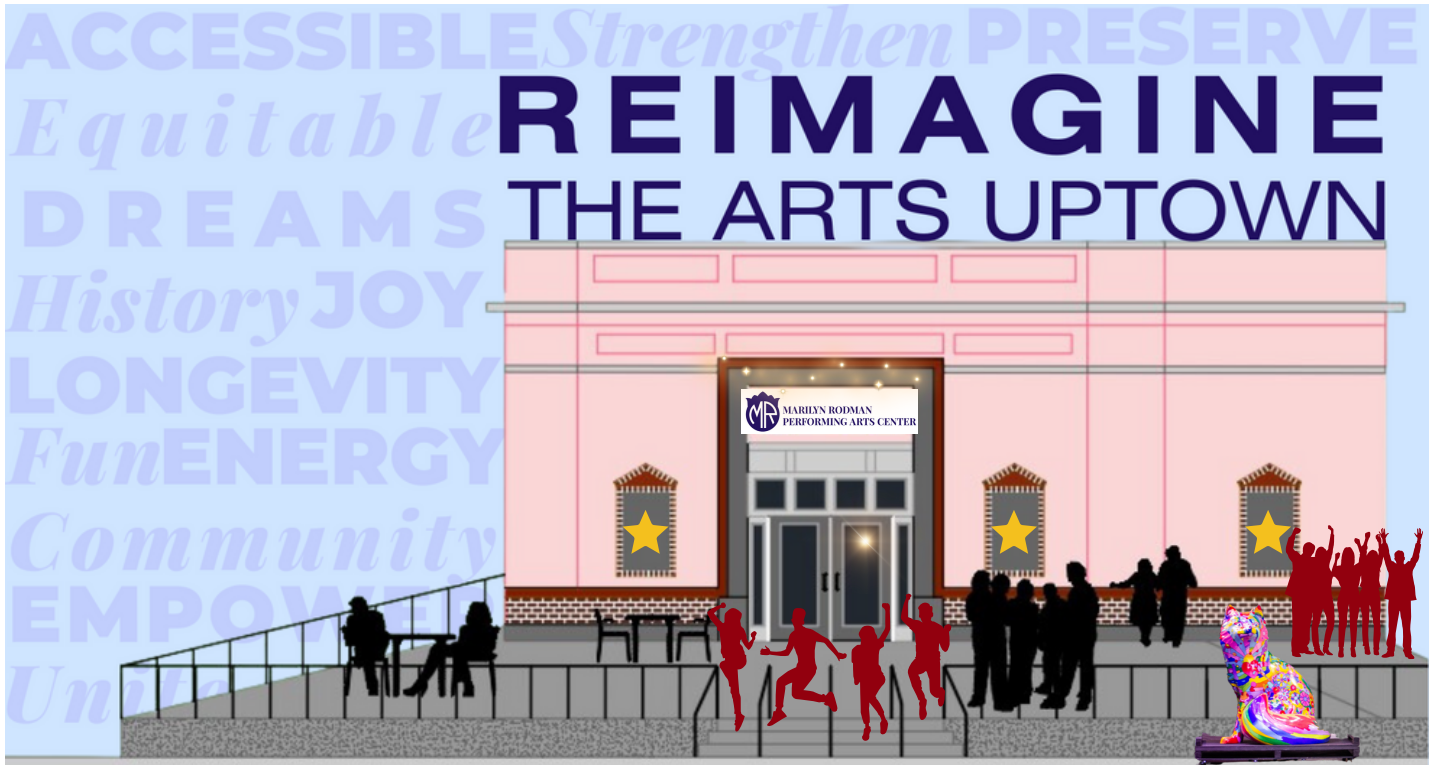

Thanks to the **Massachusetts Cultural Council**, *the MRPAC has received an \$81,000 matching grant* to complete this work. Just imagine how different the center of Foxborough would look with an upgraded MRPAC! **We have until December of 2024 to raise the \$81,000 matching funds** and we look to YOU to help us with this EXTRAORDINARY project!

Help us meet our matching goal of \$81,000!
